number twelve: MAY 28-JUNE 4

the zipperhead party

Zipperhead, the clothing store located on South St., held their first anniversary party on May 19th at the East Side Club. The celebration included food, fashion, and music by King of Siam, Informed Sources, and Industrial Filth. A delightful time was had by all as can be seen by the crowd's reaction. For some it was a dip into the fast action of the Great White Way, those who were for the first time attending a fashion show. For others it was another weeknight out at our town's number one after hours club. But for all it was a gala celebration for what has become a friend to all of us in the know..."you wanna Zipperhead?..."

hw

Zibonna Tip: Yeah, hotlips, I want a zipperhead.

Scooter Vibesman: Yeah, I guess it depends on where I could put it. Yeah, I'd love to have a zipperhead. Right now as a matter of fact. A zipper and a head, in that order.

G.F.Gurry: I guess it would be cool but it might hurt.

Lee Paris: Yeah! Yeah! I thought I already had one. Hey Hey Hey! This is Lee Paris. Is this art? Happening, Happening!

Skylar W. Meeks: Yeah but I like to chew on my sister's tampons.

Trip: Are you having the time of your life?

Steve: Name...you got to get their name.

Elaine Simendinger: For Forward?? Is this a car company?

Trip: Forward Magazine.

Elaine Simendinger: Oh, Oh...

--question--

friend: Say 'yes'

Elaine Simendinger: Oh, Yes, yes, and in french it's oui, and in Italian it's...it's...

June Czerwinski: No.

Trip: Well, what was the most fun you ever had in your life?

June Czerwinski: Lasttime I was at a Flyers game. It was 'Bernie Day'.

--question--

Steve: How would you like to have a zipperhead?

Beth (Stickmen): No I would not like to have a zipperhead because I prefer buttons.

Bruce Glider: No...my brains would fall out.

Steve: You don't have enough.

Bruce: Yes I do. You have to have brains to work in Universal.

Chris: Yes I would have liked to have three of them.

Steve: Three heads or three zippers?

Chris: Both.

Ginny: No I would not like to have one because things don't stay in that well anyway. And if you had a zipper then some of them could come out on you.

Gerald Edmunds(Our favorite you-know-what): I dunno, I guess I prolly would...yeah I guess, 'cause the head opens up.
